

**“If you’re 50 or older, you should be among the first to get a flu shot every year.”**

**The flu kills 36,000 people each year.**

**Stay healthy and strong.**

**Get a flu shot.**

**For more information about influenza and the influenza vaccine, visit [www.cdc.gov/flu](http://www.cdc.gov/flu) or call 800-CDC-INFO (800-232-4636).**
